“ Velda and girls,
Hopefully this will find its way to you, Velda! I'm a person from your long-ago past!
I doubt you have thought much about the home you left/sold in Grass Valley, CA, in 1983?? Or, the people who bought it?
I am Marian Garner and my husband and I bought that home of yours! It was our first home and through YOUR KINDNESS you made our purchase possible! It was a very exciting time for us - to make this momentous purchase! To this day, I am grateful for having met you and Greg and the ability to buy our first home. You were moving your family to Arkansas to "start afresh". I've thought of your family through the years and have hoped your new start was all you prayed and hoped it would be!
We also purchased from you and Greg some oak cabinetry and end tables that he had built to fit perfectly into your home on Bartlett Drive. We STILL OWN those pieces of furniture!! I'm very sentimental about these pieces as they represent our "first home", AND we knew they were lovingly "hand built" by Greg, a person who obviously loved his craft. (I will upload a few pictures if I can. You may enjoy seeing them.)
We lived in your house and built the master bedroom and bathroom that we had dreamed of doing - enlarging your 650 sq. ft. home into a 950 sq. ft. home. Our third daughter was brought home from the hospital to that house. Eventually, I was hired down the street at Union Hill School where I had a career as a Sign Language Interpreter for 30 years! I retired 5 years ago. Although we eventually moved to a larger home, we pass your/our everyday! We moved up the street and around the corner! :o) I often look at it as I walk/drive by, smile to myself, and I "remember" your goodness and kindness to us. Your "old house" will always be a very special place in our hearts.
This "posting" is unorthodox, I realize, but I hope you find pleasure in reading a little about your home in CA.
We are sorry to discover Greg's passing, and at such a young age. May your faith and trust in a loving God bring you comfort.
Sincerely, Craig and Marian Garner

“ Grego was a true friend. I will always remember his kind words and gentle, light blue eyes and warm mustached smile. So many stories and too little space won't allow for my memories to ramble. But, do know this Velda, Kendra and Vanessa I love you all and it saddens me like no other to hear of Grego's passing. Always in my heart and thoughts, Lovingly Rick & Charlene George and kids.

“ Greg, Your family was truly blessed to have you in their lives. So were other family members and friends.
But you now have nothing to worry about. We will all get them thru this trying time. I know they love and miss you and will for the rest of their natural lives. But I know you will be waiting for them when the time comes. God bless you Greg.

Love Kathy and Jerry
