“ *Leslie, I am so, so sorry. I just found out last night. I know how much you were looking forward to that little angel. If I can do anything for you just let me know. If you need someone to talk to I'm here. Just know that God is taking care of her until you get there. Your in my prayers.*

“ *Leslie,*

I am so sorry for your pain and loss. There must be more questions than answers at this point. Life hands to us situations that are so painful and difficult to understand. God gives us strength and hope for our tomorrows. May God grant you the healing and strength you need each day, until you hold your little one again. You are in my prayers.
