“ Thank you for being so kind to me when nobody else would. I miss talking to you in the locker rooms in the mornings. You always had the best advice and the brightest smile. I know it seems crazy, but the most vivid thing I remember about you was what you smelled like. You smelled amazing by the way. What i'm trying to say is thank you... Thank you for being such a great friend, and thank you for being there for me. I miss you. (you're the prettiest angel out there)

“ I knew Haley through her father Jerry Shaffer and her grandparents Linda & Bed Shaffer. We would like to send our condolences to Jerry, Tracey, Tim and all her family and friends. We find many times in life we face many tragedies in life. Losing a child is probably the hardest thing each of you will ever face in life. We lost our daughter at age twenty-right. We encourage you to lean on the Lord. When we lost our daughter the Lord was the only thing that pulled us through those difficult years. We encourage you to lean on your memories of Haley. Begin a diary dedicated to Haley. When your mind begin to remember things in life you and Haley did put those thoughts in Haley's diary. Our thoughts and prayers are with each of you. We do not pastor now but the twenty-eight years and a half years we pastored the Springtown Pentecostal Church we find we never loose the calling and a Pastors HEART. God bless each of you is our prayer.
