“ *Tiffany & Jonathan: So sorry to hear about your great loss. Your loss is Heaven's gain. Tiffany will be with Grandma Janet who will watch out for her and keep your little angel in her arms until you meet her again. I have kept up with Hannah during her ordeal and have prayed for her that she might be healed, but God had other plans for her. I know she went through an enormous burden here on earth but she is now at peace in her heavenly home. Thinking of you in your sorrow. Jean Billings*

“ Tiffany, Jon and family,  
I am so deeply saddened to hear of your loss. Hannah was such a little fighter! I cannot imagine what you all must be going through! Tiffany, I know your mother was there to greet her with open arms! She will be a guardian angel for you and in your hearts forever! Her purpose here was short but take one day at a time and God will see you through! We will continue to pray for you and your family! Please let me know if there is anything I can do!

“ Your family is all too familiar with loss. I was setting with Stacy and Chere' at Children's Hospital in Little Rock, eleven years ago when an older man stop and said to our family, "GOD ONLY GIVE SPECIAL CHILDREN TO SPECIAL PARENTS." That statement we have never forgot. You can survive. Continue to have Hope for the many tomorrow's you have ahead.

“ I am so sorry. I know that there are no words to take away the pain. God put her here for a reason. She fulfilled her journey. It just was not as long as anyone wanted. I didn't ever get to meet . But, I fell in love with her just from her pictures and everything that you wrote about her. She was a very loved little girl. Just remember to take one day at a time. One minute at a time. God will be with you all the way. We will not forget about you. We will continue to pray for you and your family . Love Lynda

“ Dear Tiffany and Family,

*My heart breaks for you and your family. I can not even begin to imagine what you have been through and what you are now going thru. I, like so many others, have been keeping up with your little Hannah on caringbridge. Your little Hannah has been such an inspiration to everyone. Tiffany she reminds me of the determination your mom had when she was going thru her sickness. The first thing that came to my mind yesterday when I heard she passed away was Jannet was there with open arms waiting for her precious little granddaughter. You have been, are, and will be in my prayers.*
