“ It was a great honor to know and be loved by Harry over the past five years. He was always an encourager -- always concerned about others and very dedicated to his christian faith. He and Peggy were always an inspiration to others! May God bless his family and also his "church" family as they celebrate his life. The world is a better place because of Harry.

“ Peggy, I know this is a very difficult time for you. Harry was such a special person and I had only known him for five years, I can only guess at how deep and abiding your love for him is. Please know tht you are in my prayers and my thoughts and that I love you dearly.
