“ Aunt Helen will be missed greatly by my family. I have many wonderful memories of our good family visits, playing cards and eating popcorn together. She taught me to be a serious competitor and that it really is important to win! I treasure my memories and will keep your family in my prayers and thoughts. Remember,God is only a prayer away, and He desires to help comfort and guide all of you in the days ahead. Love you all, Verna

“ I can remember many days that I enjoyed going to school just so that I could see Helen and Harold Hendrickson. They have always been 2 of my favorite people. I know that Helen is in a much better place now and I just hope that I will see her again someday in Heaven. I know that this is where she is going because of just being the wonderful person she was. I love you so much Helen and I will miss you dearly. May God Be with your family and thankfully because of who you were, they will be fine and get thru this. Darla, if there is EVER anything I can do for you, please let me know. God Bless You and your family.

“ Helen will be missed from the neighborhood.  
I remember when we had sickness in our family, mother would take me to her house in the morning so that she could take me to school. Every morning she would fix her famous "Hotcakes." They were great! I crowned her the "Hotcake Queen."
