“Helen is one of the most wonderful ladies I have ever known. Her faith and strength in our Heavenly Father has been amazing. I never heard her complain about the physical challenges she has faced. She had a great smile and an awesome, infectious laugh! Helen also had the God-given gift of encouragement. I am very blessed to have been her friend for over 40 years, and I will miss our visits. John, may God grant you and your family comfort and peace.
