“ *I have fond memories of Helen from my childhood when I spent time in their home. Hospitality was one of her gifts because she had a way of making you feel welcomed. In my adult years I had an opportunity to enjoy her hospitality again. My deceased husband, Mike Rathbone, and I spent a week in her home while holding a Revival at the Union church. I know she will be greatly missed by her family and friends. May God give comfort to all today. I had planned to be at the funeral but was not physically up to coming. My thoughts and prayers are with you. Much Love, Judy Bond Rathbone*

I know you, her family and friends, will deeply grieve her departure. My heart reaches out to you in love and prayers. May your own precious memories sustain you....

Helen was a wonderful person who will be missed by all. My condolences go to Jerry (my birthday buddy), Jenny and all of their siblings. We were great family friends and our mother passed away only three months ago. Helen and Mom were among the last of that generation and I do miss them all.
