“ *During my school years your home was always like a second home for me and my brothers. You always were there and never seemed to get upset no matter how many of us there were. I will always remember this.*

“ *I remember Helen as a wonderful hostess to Mike's parties. She had one of the few swimming pools in the area in the late 60's and early 70's, causing her home to be the gathering place of many teenagers in Gentry. She was always beautifully tanned and very gracious, yet always maintaining that spunk she was known for.*

I know she will be greatly missed.

My thoughts are with you during this time of loss.
