“ I knew Helen from our years at DaySpring. I thought she was a sweet woman and although I haven't seen her for a few years, I considered her a friend. God bless and comfort her family.

“ *Helen was a very special mother,grandmother and mother in law. I considered her to be my mom and she treated me always like a dtr. She always put others first before herself. Mom had a special gift of lifting your spirit in good times and bad times. Not a day would go by without a phone call to Jeff and her grand kids til now to tell them how much she loved us. Mom.... we love you with all our hearts 💕 and know you are wrapped with Gods everlasting love. We know you are finally free from all your pain and suffering. You are truly missed.*
