“ *Since the death of my parents in '85 Bill & Marguerite have become Grandpa and Granny to my family. We have shared many times together and made many memories. There was never a dull moment in the Curtis home. He always had a way to say something to embarrass me, give me that look and then the the laughing would begin. He shared his heart with my family just as he would his own. Whenever I go past there old house by the police station I always think of them. You will be missed, never forgotten, always remembered. Say hi to my Dad please. RIP.*

“ *I will miss my adopted Dad, Bill Curtis, so much! I loved him as much as I did my Dad. Both were so much alike and I learned a lot of good values from them. I love you, Bill, and I will always love you.*
