“ There is something wrong with my being able to write this tribute without it actually being completed. Leo was instrumental in starting the CMA Burnett Chapter, Chariots of the Hills. If it were not for him and Floyd Johnson, there would BE NO CHAPTER. May those who enjoy that chapter now NEVER FORGET those who forged the way!!! Don't let "out of sight, out of mind" be Leo's Epitaph. Let us all remember that our First President worked hard to pave the way for what you have now.
