“ My beloved brother Hank, how very special you were and still are to me. I love you so much, you were a wonderful man and the best father, son, and brother while on this earth. I keep thanking God for the 66 years he loaned you to us and for your life, what an example you were. Look at Gwen and Eric, they turned out to be wonderful adults because of your guidance. Your work on earth was over Nov. 20th and God took you home and your suffering and long painful battle with cancer was over. I can just imagine that big smile and those cute dimples, when you saw Jesus. I will always love you my sweet brother.

Your Loving sister Jamie
