“ *I became acquainted with Herb while I was jogging. We'd see and pass by each other often in my sub division. I'll have to say of all the places I lived, he was the top dog, far as a paper carrier. He was a super person, and had such a great welcome and personality about him to be so early of a morning. He was always very prompt and neatly leaned the paper against the door for easy reach out and around to get. He was like a piece of art work. Never missed a beat. He will be greatly missed. Our prayers and condolence goes to his family.
Herb, may you rest in peace. Hope to see you some day.

“ *I had the privilege of being Herb's district manager at the Democrat Gazette. He was one carrier that I always knew I could count on and I always knew that he would do a great job of delivering papers.*

My prayers go out to his family and those that he left behind.

“ Herb was our newspaper carrier. On occasion we would meet in our driveway. He always had kind words and enjoyed contact with the people he served. We shall miss him greatly.

“ Mr. Herb will be sorely missed as our Arkansas Democrat carrier. He made sure that our newspaper was always leaning against our door every morning. He would go out of his way to pick up another paper we subscribed to and have it there also. We only saw him in the wee hours of the mornings as we were sometimes early risers. He was such a nice man. Our sympathy goes out to his family. Thank you Mr. Herb.
