“ We are so very sorry about Herman’s passing. Herman was always such a fun person to be around, just like Aunt Florence. He always had a welcoming smile. Your lives will have a void, but we pray God gives you comfort. Cherish your memories.

“ Sue, I just heard about Herman. He was a good person and friend. He was meticulous in his work. My home shows his good work. He and Eddie would argue with me over some detail I wanted, and they showed me what would work and what would not. Will miss him immensely. Prayers to entire family.

“ Sue, I’m so sorry. I thought so much of Herman. I have many wonderful memories of all of us square dancing and visiting. I had planned to come to the funeral until I learned they had restricted it because of the situation we are in. I pray for God’s comfort for you and your family.

“ Herman was a great man. I was deeply saddened to hear of his passing. Herman and Sue were like family to my parents, they would come over every morning for coffee and visit. I always enjoyed listening to Herman talk about the Kansas girls basketball team, he was probably their biggest fan. Dad always looked up to Herman for his advice and help when they moved to Kansas. When dad got sick, they would look after mom. My condolences to Sue, Tracy, and Austin.
