“ We are sorry we heard too late to attend the funeral. Our thoughts are with you and pray that God will comfort you in this time of need and loss. It was a real shock and hard to understand. She was a real friend and help in times that Jim needed someone with whom to talk.

“ Herteline was a wonderful person. She was a great mom and nana. That is why loosing her is so painful. We can take comfort in knowing that her pain and suffering is over now. She is in a much better place. My prayers go out to the family and friends left behind. I pray that they find peace and comfort knowing that God's will be done.  
We love you guys.....

“ I'm so sorry for your loss of your beloved Herteline. My thoughts and prayers are with you and your family during this most difficult time. All of us here at Alcon think so highly of Kay as she is such a loving and caring person who is so much fun to be around. Although I never had the pleasure of meeting Herteline I feel I know her as Kay speaks of her so often...we often got to hear of the fun and unusual gifts Kay would pick out to give her for birthdays and Christmas! Please take care in knowing that there are so many that love and care about you and your family.  
Love, Sharon

“ I knew Herteline through Kay.  
I knew she was loving and caring,  
sweet and nice,  
understanding and practical.  
She was everything you would want a  
parent to be.  
I know her family will miss her immensely but I know that her loving  
memory will get them through.

“ All of us who work with daughter, Kay Medders, are touched by your  
loss. Kay always spoke fondly of her mother, and we are sure  
Herteline was as inspiring as her daughter.

“ Please accept my heartfelt condolences. While I did not have the  
opportunity to meet Herteline, Kay has spoken of her often. I'm quite  
sure that Kay - one of the truly remarkable people I know - has been  
greatly influenced by two special parents, and thus I am sure that  
Herteline will be sorely missed.
