“ I could write an 8 yr long tribute in here if I had the space. My name is Cee Cee and I too met Lee (TOPKATT) when I came across the delphi-forums many years ago. One chat led to another and a friendship was formed. His heart was as big as they came. He talked of his times in Oklahoma and him being a long haired hippy from the 60's! LOL He spoke of his family with any undying amount of love! Taking care of Linda and the kids and the grandkids was what he lived for. He was a great man of wisdom often helping me through some tough times I faced a single mom of 3. Kept telling me I was a strong lady and could make it. With a sad heart I just learned of his death yesterday (Dec. 4th). I thought the lapse in emails was due to him taking that long motorcycle ride he had spoken of doing. I am very sorry for your loss. People like Lee don't come along very often! He was one in a million. He wanted nothing more in life than to be a good husband, father, grandfather and friend. You all were his life and I hope that God helps heal your hearts! My thoughts and prayers are with you! I am sooo sorry!

“ I met "Topkatt" when I found the Delphiforums Online Community... we became friends and he has always been a good one... he talked often of the love of his life, Linda,,,, and he always talked about his kids and grandkids... I never got a chance to meet him in person, but I have always felt that he was my friend... I wrote a poem several years ago and he said it touched his heart... <http://forums.delphiforums.com/ninee/messages?msg=5350.1>
I feel like I know the family, thru Lee (Topkatt), and my heart goes out to all of you in this time of your loss... he will be missed by so many...
God Bless...

“ We were shocked and saddened to hear of Howard's death and are upset that we are unable to be with you today for his services. Please accept our condolences. I'll always remember the way he used to holler for you kids to come home (Nanci and Teresa, this is especially for you two), return the doctor's bills I 'd send to him with unmentionable notes handwritten on them (Yah Linda, lots of memories there), and zip around town in his old pick-up covered in antennas. He truly made me laugh, and thinking of him still brings a smile to my face. It's funny, I thought I saw that truck around town just the other day. Our thoughts and prayers are with your entire family right now. I hope you'll be able to find peace and joy in the memories you hold. Again, our condolences are yours. God bless.
