“ I wish the family my sincerest condolences. Squint was such a gentleman and such a pleasure to be around. What a nice man who always had a kind word for everyone he worked with and met. May all of us have half the character he did. He made the world and our little world at Napco a much better place. We all know, if it wasn't for Squint, Napco wouldn't have been half the place it was. We all owe him a debt of gratitude.
