“ We imagine Blackie was waiting for you to have some good ol' story telling sessions like in the old days! Not that he's been lonely, he always made friends easily, like you did, but good friends are always welcomed @ the Lord's table in Heaven & we know that is where the 2 of you are! Your story-telling abilities will be missed here, but they will surely be welcomed up there with all your old friends gathered around you! And before long, we will all be joining you (hopefully), life down here doesn't last forever~~up there it does! We'll all see you sooner or later. To a good friend & previous neighbor (when the by-pass was first put in, you had your real estate office across the street) & a good person to have as a friend!
