“ Grandma we love you very much. I will always cherish the time we got to spend with you the last week of your life. Even though you weren't strong n body and didn't have much breath you still visited with me. As we visited about children and raising them she had said you need to train them right and discipline. I had shared a story of how my 4 year old hadn't told something exactly correct and how we went n prayed with her about...she had chuckled but has encouraged me to keep it up! I know i won't be able to have those visits any more but i will cherish each and every one we we're allowed to have. We love you grandma, Megan Spalding

“ Mom, Let me first say that you were a wonderful mother to us three boys and what great memories that we have. As I told you just the other day that I would never be ready to see you go, but, it has happened. You are in a place now of perfect peace where there is no more pain or struggling. I can't even imagine what joy there must have been when you were reunited with Dustin. I will miss our daily phone calls and seeing your sweet face. Until we meet again, Love you Mom.

“ *I remember lots of rides in the back of the truck to Vacation Bible School and lots of Kool-Aid and cookies which Idabell provided! She was a wonderful servant to God, raised a wonderful group of sons, and loved her family. Thinking of and praying for the entire family, and know that she will be missed. Treasure all those awesome memories.*
