“ Though Aunt Imogene was my mothers (Curley Farmer DeVault)step-sister-in-law I never thought of her that way. When we would be at my grandmother and grandfather's (Ruth and Jess Hollaway)farm in Cave Springs, sometimes she and Uncle Glen might be there. I thought she was so glamorous. Her jet black hair, her perfect makeup-those scarlet lips! She told the best stories to us kids. She didn't hesitate to go outside and play with us. She was a joyous personality. She will be missed.

“ I remember when we were kids and Imogene would play with us. We thought she was so cool because she treated us like we were so special and didn't act like we were just kids. She was one of a kind and we were blessed to have her as part of our family.
