“ *I have and always will call Inalene a friend.*

To see the kind of devotion and tenacity in ones belief in a cause is rare - but that was Inalene.

She is and will be sorely missed by the people that were involved in her life.

“ *A finer person there never was. Inalene was passionate about her country and those who served. She had a quick wit, a keen mind, and a loving and caring heart.*

America, Arkansas, veterans, and I am poorer for her departure.

I will sorely miss her.
