“ Although Mario and I weren't the closest of friends, I still will miss him horribly. I was just with him last week at the skate park, giving him a hard time on one of the tricks he was trying to land. I'm glad I have that last memory of him.

R.I.P Mario.

My best wishes to the family and close friends.

“ Mario was a wonderful person. I met him about 2 months after I first moved to Arkansas. We became really good friends and talked a lot. We lost touch for a while then started talking again. I havent seen him since around May of this year. I hope everyone that knew him, knew him to be a great friend like I did.
