“ Jack was the most wonderful person.
He was a good man who took care of me when I was a little girl on the school bus.
He always kept the bigger kids from pickin on me. He will be so missed.
I grew up knowing him and the family, we were so close.
I loved him like he was my own family.
His family is still very dear to me and Bobby. If I had known I would have been there...I am so sorry guys.
He lived a long and wonderful life.
Love you all! Debby
