“ *When I lived in Siloam I was also a member of First United Methodist Church. I met Jackie when she was staying home to take care of her husband. Jackie and I became friends and I bought a couple pieces of furniture from her. I would go over and visit with her. Later we would play golf and go out to lunch together.*

When I moved away we continued to write letters and talk on the phone.

I did visit her once in Tulsa since living in Idaho.

My aunt just sent me the clipping from the newspaper knowing we were friends.

I am sorry to hear of her passing. She was a very special lady to me.

“ *I was so sorry to hear about Jackie, it is truly strange that I had just been thinking about her. I used to sit with Elmer when he was sick, to let Jackie have some time for herself. Jackie was a very special friend and unfortunately as time went on I did not see her. I truly regret not keeping in touch, but I will never forget her sweet smiling face. Be in peace Jackie, you couldn't have been a better wife or friend.*
