“ Jack was one of a kind. Surely a product of the experiences of his life. He was a staple at the Wright farm and will be remembered.

“ Jackson has been apart of our family for years. Always lending a helping hand when we were adding on to our home. I guess you could say there is a piece of Jackson's work in almost every room. He loved Kathy very deeply. Wasn't many times you didn't see one without the other. He loved to bake . Always making a dish for our dinners. Hunting was his favorite thing he was proud of the deers he got and had mounted. He will be very missed.

“ I enjoyed getting to know Jack over the years and was able to spend several Thanksgivings together as he experienced the big Wright family each time. I am grateful that he and Kathy had a good life together and were good to each other. Rest in peace, Jack. Love Annette Wright (sister-in-law of Kathy Wright)
