“ James was like a little brother to me. He and my brother, Chetlee, were great friends from the time they met as little boys. James would come to spend the summer with his grandparents, Mr. and Mrs. England. We were happy when they moved out here and James could be here all year round. He was so sweet, so funny. His eyes would sparkle! He was still the same sweet Jamesy (as we called him) every time I saw him. A great person, a good Christian, a loving father and husband. So sad to lose him so early. I am thankful that He gave his life to Christ and I know he and Chetlee are having a great time together!!! We are praying for Melissa and the kids and all of the family. Blessings to you all.

“ James was the greatest of friends and always around to make others laugh. A truly good guy who will be missed dearly. Chetlee, James, Jenny, Eddie, Tim and I used to have lots of fun on the FFA parliamentary team. James helped to make our team one of the best in the NW Arkansas area. Many years have passed since those days in high school and yet as I reflect on those memories it seems like yesterday. I pray that God will be with each of the family members as you reflect and remember some of your wonderful memories about James. My thoughts are with you all.

“ Melissa:

*Loosing a loved one can be tragic if we loose sight that our purpose is eternal life with Christ Jesus. We must remember that our joy will be to stand before the Lord our God in judgment have look forward to the words "Well Done My Good and Faithful Servant." Celebrate the life of your loved one and let him live on in your hearts and memories. Immerse yourself in the Word and the Lord will comfort you as a mother comforts her children.*

*May God grant you strength, wisdom and direction in the coming days. May you be a rock for your children showing them and teaching them to praise God in all things, good and bad as Job told his wife. God knows the plans he has for us so we must trust in him with all our hearts and all our souls.*

*I have been trying to reach you since your email about abandoning your lease the end of April. I am sorry this had to be the way I found your location. I only wish you had contacted me before you moved out. I know you will come through this. Our family knows your pain. We lost 4 members to a drunk driver 20 years ago. Let the memories of your loved one live on in your hearts and memories. Our condolences to your entire family.*
