“ I have had the pleasure of knowing Mr.Cook for several years. I work at the photo lab in Wal-Mart and he was always bringing in pictures for me to copy for him. We used to talk about our family trees. My husband has some Cooks on his Dad's side. I always enjoyed seeing him walking through the store. He would always speak and ask me how I had been doing. He was a wonderful man. I am going to miss seeing him, but I am sure he would point out the fact that we will meet again some day. May God be with you all during this sad time.
