“ Jimmy and I was very good friends when we was about 14 and on. He'd come over and spend the night at my house and we would go out behind the back yard and mess around a small pond with tadpoles, frogs and once in a while snakes. He tasted authentic Mexican tacos that my mom made and he loved them. I would go over his place and would have a blast. We would also go to his grandmas house that was a short walk from our home. He was a very outgoing guy and always respected me and my family as so do I. I just found out he had passed this past Saturday and I didn't seem real to me. I made felt very sad and shocked at the same time. We had lots of adventures Jimmy and I...I would just like to say to his mother and family that he's in prayers. I will always be your friend Jimmy and may God have you in eternal paradise.

Thank,

“ Jimmy, Dee and I were fishing Salina above the dam when Dee hooked a large Mississippi white. Dee is a good fisherman and while Dee was trying to reel the fish in Jimmy bent down and bit the line in two. So were the struggles of who was going to catch the biggest fish. I will miss my fishing friend and hope there is a pond for us to fish in later.
