“ *Madeleine, Dayeleine, Jackie, Sherie and Daymon...I am so sorry about the loss of your father and grandfather. He will be missed by all of you. Just remember how much he wanted to join Jackie in Heaven and that now they're up there holding hands and enjoying each other's company again. He's enjoying being with his son James and my brother Daymon. Those three will enjoy being together again. I know Daymon often said he really liked your father and grandfather. There isn't anything I can say that will really ease your sorrow at this time. Just know that I love you and really care for all of you. I'm here if you need me.*
