“ Wow, it feels like I have lost my own dad. I have no words to express how I am feeling. I guess empty is one, but I know that he and mom are finally together again and are rejoicing in heaven. I have never known a man to fight so many battles with illness, and always come thru them. This time he has truly won the last battle and gone home. Carolyn, I love you dearly and I am always here for you. You are all in my thoughts and prayers. May God Bless Each of You.
