“ We are thinking of you out here and of course are remembering these famous words of encouragement that we will get to see our loved ones again:

"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first."

“ Today's service was awesome; a fitting tribute to someone so loved and who touched so many lives. To sister Vicki, Thank You! Your words and music brought us comfort, Jana would have been so proud of you. I know she is missed so very much so I pray God's comfort to the Guthrie and Barret families during this time of sorrow.

“ I am truly so sorry for this loss. Jana was a beautiful person with a very caring loving heart to many. I will always treasure the memories of her that I have. She came once with her children and spent Easter with us. We all had a good time with one another and enjoyed the time spent together. Heaven has truly gained another angel.

“ I worked with Jana for the past 12 years at CMI and I worked under her for at least 5 years. I thought the world of her and considered her a good friend. We played all kinds of games on our own time at home on Facebook together. I know she was a huge Razorback fan and enjoyed their games, especially when they one. I really admired her because no matter how much she was hurting she was able to smile and great you. She always had time for you no matter how busy she was. I will truly miss her.
