“*Cameo and Family,
I'm so sorry for the lose of your mother, we've become good friends over the years when I traveled to Siloam Springs. I'll always remember the dinners we used to go to and you would order a little bit over everything on the menu and eat most of it. I have nothing but respect for your mother as person and a great friend.*

Although your mother has left us, there is some things that will never, never leave us. A Mother's love is one of them. Your Mother will be with you and your family in spirit and in heart forever.

Cameo, please know that you and your family are in my thoughts and prayers and know that your Mother has truly touched allot of life's and will be truly missed.

“ I so enjoyed working with Janice. Although we lived in different states & never met each other in person, we had a real connection. Janice & I had a lot in common & she would always make me laugh about issues at work. My thoughts & prayers are with Cameo and her family. May God be with you always.

“ Janice and I went through school together along with her brothers and sisters. Our middle names are the same after our grandmother, Cynthia Dowty. Our birthdays are two days apart and we celebrated them together when we were little at the North Fairview grade school. Once she bought me a clay indian doll. I will remember her always although I have not seen her in years. To her children, God bless you. May God's peace be with you.
