“ *Debbie, Diana, Canan, Russell & Wanda and family I am so sorry for your loss. I have so many memories of Janna from when I was a young girl up until now. She was always a sweet and fun lady. my parents, Russell and Wanda (her sister) and her and Don were all good friends for years and I considered her part of my family. she loved to have fun and she loved her family very much. Praise God she is with our Lord and Savior now and has no more suffering. I bet her and Momma are having a great conversation about now.*

*You all are in my thoughts and prayers*

*Love you all*
