“ *Dear Hedges,*

My heart was heavy when I heard of your loss- Its been years since I had seen Jason, but I have so many wonderful memories of all of us playing over at your house as children..... I know that Jason was raised by two wonderful parents and I am praying for you and your family...

If there is anything that I can do to help you through this time, I would be glad to do anything....I had planned on sending you my gospel album but do not have your address- Its a small thing, but sometimes praise and worship soothe the soul when there are no words left- please let me know if I can do anything for you - just know- you are in my families thoughts and prayers-

With Love,

“ Dear Carolyn and Jerry,

There are no words to express how very sad we are about Jason and how very sad we are for you. We wish there was some way we could ease your pain. We pray that God will hold you close and give you comfort, courage and strength to help you through these trying times. If there is anything we can do, please don't hesitate to call.

With all our love, thoughts and prayers,

Judy & Joe

“ TOMORROW STARTS WITHOUT ME

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
All filled with tears for me;
I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too.*

*But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,
And said my place was ready,
In heaven far above,
And that I'd have to leave behind
All those I dearly love.*

*But as I turned to walk away,
A tear fell from my eye
For all my life, I'd always thought,
I didn't want to die.*

*I had so much to live for,
So much left yet to do,
It seemed almost impossible,
That I was leaving you.*

I thought of all the yesterdays,

*The good ones and the bad,
I thought of all the love we shared,
And all the fun we had.*

*If I could relive yesterday,
Just even for a while,
I'd say good-bye and kiss you
And maybe see you smile.
But then I fully realized,
That this could never be,
For emptiness and memories,
Would take the place of me.*

*And when I thought of worldly things,
I might miss come tomorrow,
I thought of you, and when I did,
My heart was filled with sorrow.
But when I walked through heaven's gates,
I felt so much at home.*

*When God looked down and smiled at me,
From His great golden throne,
He said, "This is eternity,
And all I've promised you."
Today your life on earth is past,
But here life starts anew.*

*I promise no tomorrow,
But today will always last,
And since each day's the same way
There's no longing for the past.*

*You have been so faithful,
So trusting and so true.
Though there were times
You did some things you knew you shouldn't do.*

*But you have been forgiven
And now at last you're free.
So won't you come and take my hand
And share my life with me?*

*So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*

“ Jerry and Carolyn, Words cannot say how sorry we all are... We have been through so much together but this one is really hard. Just know you two did all you could to love and help him..but at least he is at peace now and you will see him again someday... I always like to think that God had a certain job only Jason could do..just remember I am only a phone call a way and you can call anything!!! I love you both... be brave!!

“ To Jason's Family~ I am so sorry for your loss. Jason was a longtime friend of my younger brother, and I know how much he is saddened by his passing, as well as each and everyone of you must be too. The only comforting thought I can think of is knowing that Jason is now truly at peace. I just wanted you all to know that our family will be thinking of you and praying for you in this time of sadness and hoping that with each passing day, time will begin to heal the pain you are in right now.
