“ *I have fond memories of Jeanne and Blackie. I remember going to the Army Surplus Store when I was little and thinking it was so cool. I would run into Jeanne at the sample store years later. She and Blackie would come over to Bentonville a certain day of the week and they were always the first in line at the door. She was always so fun. My thoughts go out to the family.*

“ Although I never visited your home my Dad (Sam Carr) told me a lot of stories about his visits. I don't know if they were all true, but I sure hope so.  
Peace be with you.

“ My parents and Jeanne & Blackie were friends. I don't remember a time that I did not know Jeanne. She was such a sweet and funny lady. I always enjoyed spending time with her. Running into her shopping at Wal-Mart always made my day. She will be missed. But she has moved on to a much better place and she will be waiting there to greet us when we get there. My love and prayers are with her family.

“ I knew Jeanne from working with her at Wal-Mart. We became instant friends thereby spending time visiting and conversing. She was definitely one of a kind and was, without a doubt a very special lady. She'll certainly be missed by all who knew her.

May GOD be with the family at this time. Thank you Jeanne for the memories!
