“ Jeff, I'm sure going to miss playing games with you, Linda, John, Freda and David. I will also miss our game of name that tune, artist, and year. I loved our motorcycle rides, our camping trips, fishing and boating. Gardening and just sitting and talking. I'm so glad we were able to be a part of your only non-working vacation. I will treasure all of my memories of you. I still remember the first we met at age 15. I never dreamed you would marry my baby sister in the future. However, I'm so glad you did. You took such good care of Linda and your children and grandchildren. You spoiled them rotten every chance you had! You were a hard working, honest, caring and loving man. I'm so glad you gave your life to Christ! I will see you again in Heaven some sweet day. I love you brother-in-law, Pam Wilson

“ To Linda, family and extended family,
We are so sorry for your loss and send our deepest sympathy to you. We will be keeping you in our prayers. We met Jeff one day when he came to do some grading work for us here in Arkansas. After talking for awhile, we discovered he was from Paola, KS where we had moved from 12 years earlier and that we also knew his sister and brother-in-law, James and Janet Moser and that their son, Steve, and our son had played football in college and roomed together their first year. We pray Peace for the family during this most difficult time. Ken and Debbie Glasscock

I haven't known you long, and never have met Jeff, but I'm sure he was a loving husband and father. May he rest in peace, and God Bless.
