“ I am deeply sorry to hear of your recent loss. Please allow me to share a thought from the bible, that has comforted me in my time of loss. Some people feel that God 'takes' those we lose in death. However, it is hard to imagine a God, whose main quality is Love (1 John 4:8) would take such a prized possession from our lives. However, the bible gives us a hope for those who have 'fallen asleep in death' (1 Thessalonians 4:14). At Revelation 21:4 we are told: "And he will wipe out every tear from thier eyes, and death will be no more neither will mourning nor outcry nor pain be any more, the former things have passed away." Isn't that such an amazing hope for the future? A time when we will no longer have to worry about, or deal with death. This is a promise that Jehovah God has made to us. And what a loving provision that is.

Jesus also spoke of a 'resurrection' in the Gospel Accounts. At John 5:28,29 Jesus said: " Do not marvel at this, the hour is coming in which all those in the Memorial Tombs will hear his voice and come out.." Also at John 11:25 Jesus said to his mother: " I am the resurrection and the life, he that excersises faith in me, even though he dies, will come to life."

Isn't it so comforting to know that if we obey Jehovah God's commands, and follow in Christ Jesus footsteps, it can mean everlasting life, both for us and for those who have 'fallen asleep in death'.

I hope these words and thoughts from the bible, have brought you some comfort. This message is not meant to push our beliefs. However, we find that many people we talk to, are comforted to know about the promises that God's Word, the Bible holds out for the future. We have a bible-based brochure entitled "When Someone You Love Dies". This brochure takes you to your personal copy of the bible and explains in greater detail questions that many people often think of. Some of these topics include: Why do we grow old and die? Why do we inherit sin and death? What happens to us when we die? If you would like to obtain a free personal copy of this brochure, please contact your local Kingdom Hall of Jehovah's Winesses.

“ We haven't met, but when reading this, my heart went out to you and your family. I lost my son (stillborn) 19 years ago and I still think of him everyday, but I know that he is in a much better place as is your precious Jeremiah. Please know that if we walk right with the Lord, that we will see our boys again and soon. This is part of what keeps me going on this earth. I will pray for you and no matter what words of comfort people offer-- it is still a very hard time and there will be days that will be better than others, and it's okay to go outside and actually talk to your son because I feel that my baby boy is listening. Please don't think this to be strange, but it helps me and I hope it will help you also. Doesn't matter what others think, you do what you have to do. God Bless Each Of You.
