“ I am absolutely sickened by the news of Jerod's passing. Jason McBride called me today on his way home from Jerod's funeral service. I worked with Jerod for almost 6 years as a contractor for the BNSF. He was the most level headed, caring and compassionate person that I have ever dealt with in the transportation industry. I am so sorry for his family and friends you have my sincerest condolences.

“ Every day at the end of the day I'd say; "by J! See ya tomorrow!" He'd glance over his shoulder with a shy smile and a nod of a gentleman. I walk past his desk at work and I can still see him there. I can see his computer screen through the plexie glass from where I sit and it is blank. Tamra, know that you and your children are loved deeply. Let us know if we can do anything.

“ I am so very sorry for your loss and I am praying for you all during this difficult time. I have worked with Jerod for many years. He was a wonderful person to work with and I am sure he wondered if my emails would ever stop, but he always would call or email when he got freight in our lane. We always helped him with his freight and enjoyed doing it. You can't say that about everyone you work with. He was a wonderful person and I am so very saddened by his passing. I will miss working with him. I will continue to pray for you all.
