*“ I'll never ever forget you or our times together. You were not only my uncle but my second dad. I'll always remember that summer at the lake, all the phone calls, the debates about politics, the griping, the love you showed me and my girls. Thank you for being the best uncle there is. My heart is breaking, but I know I will see you again. I will try my best to keep the promise I made to you. And I'll always remember our last talk. I love you, I love you, I love you, I love you!! Fly with the Angels, I know you are reunited with my daddy and I know both of you are watching over me. We will all be okay. Our lives are a little emptier now that you are gone, but you gave me so much love and support in life, advice I will always remember, my heart is full of your love. Until I see you again, goodbye! I love you I love you I love you!!*
