“ I met Jerry while searching for lost graveyards. Jerry was always kind and was willing to help us and did. He let us know of a few graveyards in the area he lived in. At the time, I didn't realize just how connected we really were. Later, I found out that I am a cousin to his wife, Marcia, through the Ward family. It truly is a small, small world. I didn't know you that well Jerry, but you will be missed greatly by all of your friends and family!
