“ We enjoyed traveling with Jerry and Gail. He would keep us informed about each state we were in because he had been there while working as a truck driver. His family is in our thoughts and prayers Chyle & Marie Rollins

“ To Jerry side the family my heart goes out to each u especially his mother. U all r in my thoughts & prayers. Jerry was such a prankster! Always coming up with a prank to pull on someone or a silly joke to tell. I can see him just laughing & happy. He could be a lot of fun. He also had a tender heart for those suffering. Jerry was very technical. Very good at it. I remember him running the sound board, driving church van, joking cutting up with the youth. But the sweetstate memory was how loving, gentle & patient he was with his grankids. I don't think there was anything that brought Jerry so much pleasure then his grandkis. He truly love them & enjoy them. He was a good papa. He will be very missed. Love & prayers,
Glenda Langley.
