“ Pulling up to Jack and Jerry's house in Decatur always meant excitement and fun were about to be had! Playing pool in the basement, running/rolling down the hill (or sledding in winter) was ALWAYS a blast! I still hear the train whistle from across the highway in front of their house that scared the bejeezus out of me when I was about 4 and Jerry calming me down (while hiding her laughter, I'm sure!). Great memories of a wonderful lady. I pray blessings and comfort on Chuck and Carla and PROMISE I will call you soon! Love, Mark!

“ Flowers bloom in the sunshine; just as the sun as bright as the day, so as the moon as bright as the night. May Jerri shine down on us all as we tread through our lives, carrying her spirit with us. We pray for the family as they face their trials ahead of them and may God give them strength to do what has to be done in the eyes of God. May peace be with you all. We wish you God's blessings and His love upon you as well. Bridget and Shelby
