“ Not a day goes by I do not think about him. He has left a void that cannot be filled by anyone other than God himself. Pray that me, my children and grandchildren will be able to make it through the coming days. 18 days short of our 36th anniversary. It is a long time to have someone physically by your side then they're no longer there. Remember he is the fortunate one, he is in Heaven, face to face with the greatest man to ever walk the earth. I know it is selfish but we miss him and that will never change. You will always be our "Dah"
