“ Bruce, David, Jess & family. You all are in my thoughts and prayers. Jesse was quite the kidder. He always picked on my Mom when she came to your Mom's beauty shop and she got a kick out of it. We all thought alot and still think alot of your family. Thankful we have memories of all the good times. Love you all & praying for comfort.

“ *I have such good memories of going to your mom's beauty shop all those years with my mom. You dad would come in there to visit and he was so funny. He was usually telling a story about something one of you boys had done and rolling his eyes. Your parents loved all three of you with all their hearts and in turn raised some good hearted boys. Your mom and dad both were always very good to my mother and I will never forget that. I am thinking of you all and your families.*

“ Praying for God's Perfect Peace to surround you all now and forever. He always treated me like I was a Goodman from birth. Will always remember how funny he was. He and Aunt Lois raised a great family to carry on what they instilled in them. I know you will miss him like crazy, but rejoicing in his Ultimate Healing.
Love you all,
Sheila Goodman
