“ I send my condolence to Karen and all her family in this loss. I am touched that you were able to keep a mother and grandma to age 90 and hope you have good memories. I am sorry to be so delayed in sending this, as I am caregiver for my 97 year old mother. Do know my prayers have been with you.

“ Your mom and all your family have for years held a special place in our memories. Her special beauty and a smile that could warm your heart for a week will always be remembered. She wore that nurses uniform with much pride and dignity. She will be missed.

Long before you kids were born, your dad taught my Sunday School class at First Baptist Church. As 11-12 year olds our big deal was going camping with Garland at the blue hole on Spavinaw Creek just north of Decatur.

It has been our privilege to know your family for more than 60 years. We pray for God's love and blessing at this time of your loss.
