“ Norma, It was pleasure to get to know you and Jimmie during our visits those couple of months. I know he had strong faith in the Lord as I always heard Christian music in the background. I would leave a favorite song in my car to come in and visit only to be greeted by that same song once entering your home. Jimmie is healed now and smiling down on you and the rest of the family. Prayers for peace and comfort for everyone in the days and weeks to come.
