“ *I have to agree with Roger and Cathy. When i heard of Jimmie being in the hospital and that it wasn't looking good at that time, all i could think of was that Jack was waiting on him. I miss them sitting on the bench in town and waving real big when i drove by. Now they can sit together on that golden bench and visit like old times, and someday we will see them again. Jimmie was such an awesome dedicated friend and such a wonderful man. May God give you, the family, comfort at this time and always. Our thoughts and prayers are with each of you. Sincerely, Mike, Jerri, Tim, & Craig*
