“ Sending heartfelt sympathy to each of you! We all grew up there in Cherokee City together. I am thinking Joyce was closest to my age. At my present maturity memories come and go. It is so good to see where each of you now reside! Every time I see an Asher H/AC Service Truck, it is a reminder of my growing-up years.

*We have a Heavenly Father who holds each of you close. My prayer is your heart(s) is comforted!*

*Love*

“ Sorry sorry for the loss of Jim. He always knew how to make people smile and boy could he play his music. I will always remember his smile and always willing to help anybody that needed it. A great man to say that I get to say had a good time knowing. I just know he is up there playing his music and Mom and mine are all up there dancing. You are all in my prayers.
