I love this video and song, Fit's the moment perfectly. I didn't know Mr. Brackett. I do know his son Wesley Brackett though, and from what he tells me. His dad was a great man to be respected and loved. I'm sure he'd be proud of this video and of his son. Condolences to the family and friends. R.I.P. Joe Brackett

“ *My dad Joe Brackett, adopted me when i was 5 months old, never treated me any different than if i was his natural born son,raised me and taught me everything i know. He was the greatest father anyone could ask for. He was very outspoken and would tell you what he thought no matter. but Even though never said I love you You knew how he felt, in his actions. Im happy to have his name as mine.*
